RE: Water Bill Assistance

Dear Ms. Doran:

On behalf of Mount Pleasant Waterworks, I would like to thank you for your ongoing efforts to provide assistance to our customers who have experienced financial hardships this past year. Your employees and the volunteers have shown a great deal of compassion and our customers have gone out of their way to express their gratitude.

I appreciate the work you have accomplished with Kelly Slom of our staff. She has mentioned that it has truly been a pleasure working with your volunteers and staff, but even more so, working collaboratively as a team to help those customers who have experienced significant difficulties this year. Your efforts continue to make a difference in the community and we look forward to continuing our working relationship.

Sincerely,

MOUNT PLEASANT WATERWORKS
